Welcome To Our School

From all of us to all of you thank you for visiting our website. The **Bradford Area Christian Academy (BACA)** is a non-denominational Christian school located in downtown Bradford, PA. We have been serving the local community for 28 years.

During the past several years the Lord has blessed the school abundantly. During these years enrollment has more than doubled from 28 to over 70, a Middle School program (grades 6-8) has been added, our Before and After Care programs have quadrupled, our technology program has been significantly upgraded including SmartBoards being added to all core classrooms K-8, major investments in new books and resource materials have been achieved, our Children's Scholarship Fund, which provides tuition assistance through the support of local businesses, has increased 500% despite the economic downturn, and we have been blessed in so many other ways. Praise the Lord, and a big thank you to everyone who helped to make this all possible.

Our dreams for the future are even larger than the ones we have recently completed. We continue to pray that God will reveal His will for us, and we feel He wants us to continue to grow both in terms of the number of students, but also in the quality of education provided.

Please take your time reviewing this website. We continue to add to it on a weekly basis so be sure to stop back regularly. If you have any questions, please just contact the school.
